Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	81% 1 was absent for distances session but had shown good progress from 10m starting distance and was predicted to make the 25m 2 SEN Non-swimmers achieved a 5m unaided swimming distance 1 achieved 20m 1 achieved 15m 1 child with EHCP achieved 10m
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	87%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes/No

Our year 6 children who had not achieved 25m in previous year's swimming had extra lessons to raise attainment.

As we are charged by the time of pool hire and not the number of children this meant all year 6 children were afforded extra swimming this year to assist improvement of strokes and success of self-rescue and water safety.
