12<sup>th</sup> February 2021

Dear Parents/Careers,

Thank you once again for your understanding around us having to close the school earlier in the week, due to dangerous weather conditions. These are really difficult decisions to make and with many factors to consider, however we were determined to inform you at the earliest possible time to enable you to make alternative arrangements.

As it will be half term next week, the teachers won't be providing daily activities. While it would be beneficial to encourage your child/ren to practice their reading and some of their previous learning over the break, please try to give them time to relax, as it's been a draining few weeks and ideally, also encourage them to spend time away from a screen.

May we also kindly ask, that you inform the office via email ([office@hillside.norfolk.sch.uk](mailto:office@hillside.norfolk.sch.uk)) if your child or any of your household tests positive for Covid-19 over the half term break. This is particularly important if your child tests positive or displays symptoms over the weekend (or within 48 hours of them last being within school), as we would then need to notify the rest of their class bubble and ask them to isolate for 10 days.

We hope that you have a restful week and look forward to seeing your child/ren again on the week beginning 22<sup>nd</sup> February.

Kind regards

Simon Minter  
Head Teacher
