12th February 2021

Dear Parents/Careers,

We hope that you've all managed to stay safe and find some time to enjoy this unusual spell of weather with your children.

We really must thank you for all of your hard work in supporting your children's learning over the last six weeks. We appreciate how challenging this can be, especially if you are also having to work from home, but we have been really pleased with the level of engagement and the fantastic quality of the work that the children have produced. The staff have also been working tremendously hard, finding a balance between supporting the children at home and those in school. Hopefully, on the 22nd February, the Government will provide us with a clearer indication of when all, or more of the children will be able to return to school.

As it will be half term next week, the teachers won't be providing daily activities. While it would be beneficial to encourage your child/ren to practice their reading and some of their previous learning over the break, please try to give them time to relax, as it's been a draining few weeks and ideally, also encourage them to spend time away from a screen.

We hope that you have a restful week and really look forward to seeing your child/ren again soon.

Kind regards

Simon Minter
Head Teacher
