8th March 2021

Dear Parents/Carers,

It was wonderful to have everyone back this morning and to see so many happy faces. It was also reassuring to see everyone quickly settle in their classrooms.

Whilst it's important for everyone to get back into their normal routines and to remember the expectations of being in school, we appreciate that some children will be very anxious and may take a little time to properly settle. Therefore, I just wanted to reassure you that we are very conscious about supporting the children's well-being and have taken a number of steps to enable us to do so. In addition to all of the teachers receiving training and resources in this area, all of the children will be having daily mindfulness/yoga sessions from now on, to help them to relax and regulate their emotions. Please let the class teachers know if you have any concerns though, so that we can fully support your child.

I know that it will have been a very long couple of months for many of you, but you should be proud of your hard work and of the support that you've given your children. Hopefully, over the coming months, things will gradually begin to return to normal. However, we all have a big part to play in making this happen and if there are some hiccups along the way, we must try to remain positive and remember that by working together, we can achieve so much more.

Kind regards

Mr S Minter
Head Teacher
