

Can you name the parts of a tree?

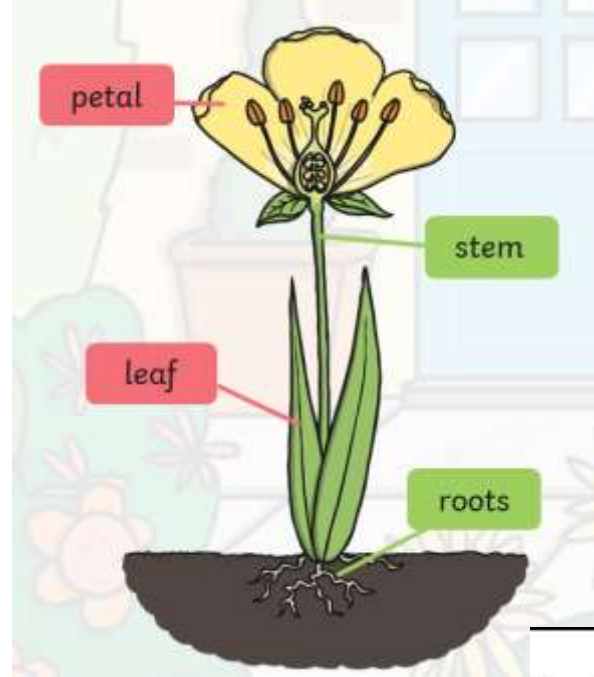

### Parts of a Tree

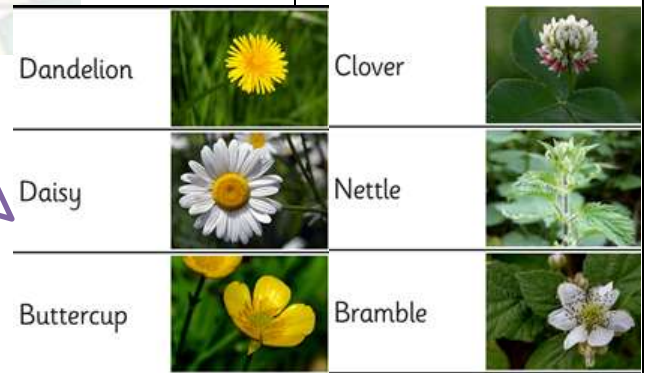

Can you name different types of tree?

Can you name the parts of a plant?

Can you name different types of plant?

We are learning to work scientifically  
 \*Ask questions raised by our own exploration of the world around us.  
 \*Draw on our everyday experiences to help answer questions.

### Vocabulary

**Leaf-** makes food for the plant using sunlight.

**Petal-** attracts insects to the plant.

**Roots-** absorb food and water from the soil, stop the plant from falling over,

**Stem-** holds the plant up so it can get more sunlight, helps water reach all parts of the plant.

**Evergreen-** a tree which keeps its leaves all year

**Deciduous-** a tree which loses its leaves in the Autumn.
