22<sup>nd</sup> September 2021

Dear Parents and Carers,

It has been fantastic to see the children settling back so well at school and in to their new classes. They have been happy, focused and working really hard. We have also welcomed many new children into the Nursery and the main school.

While we are continuing to take a cautious approach, keeping many Covid safety measures in place, we are really pleased to be delivering the full National Curriculum from the start of the year. In fact, over the course of the year, we will be having a real focus on developing our school vision and curriculum, to ensure that it closely reflects and meets the specific needs of our children. Therefore, we will be seeking the views of yourselves, our children and our staff, so that our whole school community can have a say in shaping our provision.

We really are grateful for your positivity and support, over what has been a very challenging last 18 months, but it is vital that we continue working closely together, to not only keep everyone safe, but to also minimise any further disruptions to the children's learning. Therefore, as we are beginning to see an increase in positive Covid cases within our school community, we ask that you remain vigilant, cautious and get family members tested if they are displaying any symptoms.

Thank you for your ongoing support.

Yours sincerely

Simon Minter  
Head Teacher
