24th January 2022

Dear Parents/Carers,

Unfortunately, we have returned today with a high number of children and staff having tested positive for Covid over the weekend.

While we continue to take very stringent measures to reduce the spread of Covid, we are currently waiting to hear back from the Norfolk Outbreak Management Centre and may have to take further actions.

However, in the meantime, it is essential to keep your child off school if they are unwell or displaying any of the known symptoms of Covid and to do a Lateral Flow test with them. We would also be very grateful if you could keep your children off if anyone in their household has tested positive. In addition, we politely ask that all parents/carers wear facemasks when dropping off and collecting their children, particularly on the school site.

Due to staff shortages, we have unfortunately had to cancel after-school club from tomorrow and for the rest of the week. We are so sorry for the inconvenience, but must make you aware that if we continue to get many more positive cases, particularly in staff, we may be forced to move to remote learning in some classes, although this would obviously be a last resort.

Thank you for your continued support in these challenging times.

Kind regards

Simon Minter
Head Teacher
