1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium conditions of grant guidance (2021-2022), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

- In addition, this policy refers to the DfE's information on what maintained schools must publish online.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

When deciding how we should best use our Pupil Premium funding we have looked at numerous research including the guide published by the Education Endowment Foundation (EEF).

We have also taken other factors into consideration, such as:

- The context of the school
- The main challenges or barriers our pupils face
- How the pupils are performing in their learning
- Strategies that have previously been successful (in own school and in schools within a similar context).

Some examples of how our school use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support
- Employing extra teaching assistants
- Providing extra tuition where needed (for example, ahead of national assessments such as SATs)
- Funding educational trips and visits
- Funding school uniforms

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online and using the templates on GOV.UK.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below:

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post-looked after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
