Dear Parents

I am writing to let you know of a new service that is working with Hillside School. The Mental Health Support Team can offer support for the whole school and parents, and also take on individual pupils via a referral from myself.

On the 20th March they will be joining our Celebration Assembly to introduce themselves to the children and staff. On the 27th March at 8.45am, they will be running a Parent Café in the SRB for all parents. The theme is 'Helping Your Child with Worries.' Please see poster attached. It is open to all so if you would like to attend, please indicate on the google form link below that you will be attending.

Further Parent Cafés will be offered over the year and more workshops for groups of children. Please indicate on the form if there are any mental health topics you would like covered in the future.

If you have any further questions, please contact me via my email which can be found on our website alongside our SEN information report.

Kindest Regards

Katie Foster
